

Disclaimer

The India Employment Report contains IMA India's analysis of data generated by several rounds of employment and unemployment surveys conducted by the National Sample Survey Organisation (NSSO) in from 1999-00 to 2011-12, and also includes analysis of relevant data from the Census of India, surveys conducted by the Labour Ministry and the Ministry of Human Resource Development. The report is intended for solely for the internal use of subscribing companies including their group and subsidiary companies.

The contents of this report are the intellectual property of IMA India. They are copyright protected and legally privileged. Unauthorised copying, reproduction or distribution of the information contained in these slides would amount to an infringement of law and would invite applicable penalties.

The contents of this document are accurate to the best of our knowledge and belief. However the presentation is intended only to provide an overview of employment patterns and cannot become the only basis of determining strategy. IMA India cannot assume responsibility for the outcome of decisions made on the research provided here. This is liable to change based on developments in the political or economic environment within the Republic of India, or elsewhere.
